

Hello Spring Heights Family,

After much prayer and discernment, Spring Heights Camp and Retreat Center is suspending in-person camping ministries for the 2020 summer season. We are committed to offering a safe place for campers to grow as disciples of Jesus Christ. This decision was made in collaboration with the West Virginia Conference Camping Team. It was informed by the recommendations of the American Camping Association and the United Methodist Camp and Retreat Ministries. The safest way to minister to campers this summer is to encourage them to stay home.

Since home is the safest place for our campers, Spring Heights Camp and Retreat Center is going to come to you! We are excited to announce “Spring Heights Camp @ home,” a virtual camp ministry that will launch this summer. Details are still being finalized, so we will let you know when registration is open for this new camp opportunity!

Our office will contact you about refunding your registration fees. While we will not have in-person camp this summer, we still have fixed costs to continue to maintain the camp property for future use. Therefore, we are asking you to prayerfully consider making a gift to help Spring Heights Camp and Retreat Center financially through this time.

We have been and will continue calling campers to check-in and pray for you. If you have not heard from us, you should receive a call soon! Spring Heights Camp and Retreat Center will continue to offer Virtual Day Camp on Facebook, Monday-Friday at 1 pm, through May 29th. To join in the fun, or to enjoy Virtual Day Camp videos from the past few months, follow Spring Heights on Facebook at <https://www.facebook.com/SpringHeightsFB/>.

Peace,
